All Proceeds in support of Community Living London

Community Living London is a not-for-profit association dedicated to assisting individuals with intellectual disabilities become fully participating, fully contributing members of the community. The association provides a broad range of support services to more than 700 individuals and their families, including accommodations, supported employment, family assistance, community access (leisure & recreation) programs and respite services.

This year marks our 13th year in support of Community Living London, and to date, through the generous support of golfers, sponsors and donors, we have raised well over \$500,000 for the charity. We sincerely appreciate the efforts of all those who have helped us along the way in years past, and hope that we can count on your support in 2015.

Please join us to make this year's charity event the best ever yet!
