[phone ringing]

Receptionist: Cohen Highley

Announcer: And now the Cohen Highley Legal Moment on The Beat.

Announcer: I'm here with Iain Sneddon from Cohen Highley Lawyers. Now I understand you are a family law mediator as well as a family law lawyer. What is family law mediation?

Iain Sneddon: Mediation is a private process where I would meet with individuals with or without their lawyers, in my offices and I try to help them come to a deal outside of the Court system.

Announcer: Now what type of couples are best suited for family law mediation?

Iain Sneddon: Those where there is not a power imbalance that can't be overcome or domestic violence, those individuals who want to negotiate a fair deal on their own terms and outside the Court process.

Announcer: So, a more civil situation then?

Iain Sneddon: Yeah, there might be some animosity, but animosity that can still be overcome with reason.

Announcer: Thanks Iain. This has been the Cohen Highley Legal Moment.
